Dear Harold

I read in a recent newsletter from the AARC in Washington, D.C. that you recently underwent heart surgery.

I would like to wish you a full recovery and pray that you will be okay!

Your tireless efforts and energy, that you have devoted to the study of the JFK assassination, has served as an inspiration to all of us, who are interested in, and researching the case.

May God Be With You!

Yours Truly

Michael Wiseberg

Sincerely
Yours
